A dynamic entertaining sports spectacle combining wakeboarding, skateboarding and graffiti art along with appearances by renown DJs from the region.

The backbone of this creative project is the Cable wakeboard and wakeskate championship in with about fifty participants from Croatia and Slovenia competing for the prestigious title of national champions.

This will be the seventh Croatian wakeboard championship and the results will be scored for a final order of the Croatian wakeboard tour (Crikvenica-Krk-Pag-Porec) and for the world IWWF ranking list with prize money of 120,000 USD.

The event will be accompanied by DJ Preddy (Personal rec.) from Austria, DJ K-Pow from Slovenia and DJ Sony Wokman and DJ Jericho both members of the Balance Crew from Rijeka, who will be spicing the atmosphere with sounds of hip hop, R'n'B, funk and reggae.

Skateboarders will be showing off their skills on a mini ramp located on the parking facility, and the graffiti writers will be portraying the retaining wall on highway D-102 (Krk-Baska) right next to the Wakeboard centre Cable Krk. In collaboration with Club Jungle in Krk, the popular R'n'B Exclusive party will be held on 4<sup>th</sup> September. A well known group from Rijeka “Fanatiks” will also be recording a song called ”Cable Krk Jam”, uplifting the whole event together.
